Fibreglass (GRP)	2		Diesel	Marbella, Spain	

An excellent example of the 400 DB, Gambit presents very well with low engine hours for her age. 2 owners from new, TAX paid and all maintenance carried out regularly to a high standard. She has a Master cabin with en-suite and a twin cabin with Day Head. She has 2 helm positions, the interior helm has a custom removable table, creating a second dining/work space. Overall the GRP is in amazing condition, as are the fly-bridge and stern awnings.
